

List of Accredited Agencies

Agencies that receive \$500,000 or more in annual contract funding from the Ministry of Children and Family Development and/or Community Living British Columbia are required by policy to be accredited.

Please note that in some cases, there may be a short delay in the posting of expiration dates. This is due to the time it takes to process accreditation results following an on-site review. If you have any questions or concerns about a date, please contact the Accreditation team at MCF.AccreditationUC@gov.bc.ca

The list is alphabetical by agency name and includes their location and accreditation information. Please note the following designations:

- CARF - Commission on Accreditation of Rehabilitation Facilities
- COA - Council on Accreditation
- This symbol (♦) denotes agencies receiving less than \$500,000 in annual funding - therefore accreditation is not required - but they have done so voluntarily and at their expense.
